## Microsoft Office 365 Archiving & Encryption Solutions

**Harness the power of Erado and Microsoft office anywhere. Archive and encrypt your Office 365 hosted exchange**

Erado's Office 365 compliance package seamlessly integrates archiving and email encryption by capturing and archiving all of your hosted exchange mail traffic, and automatically encrypting sensitive email.

### How it Works:

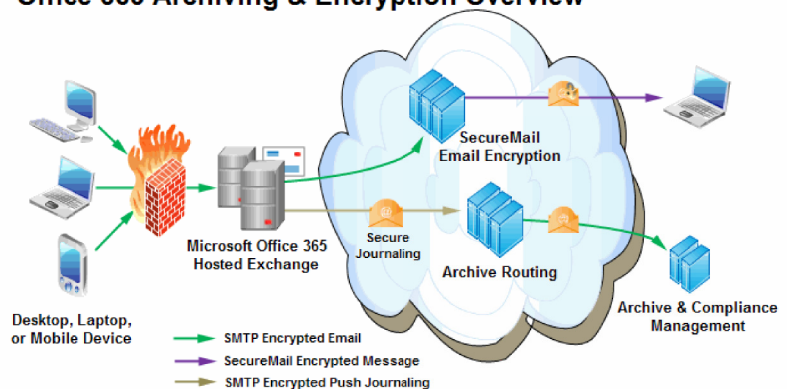

#### ▲ Archiving:

We capture, archive, and electronically review all Office 365 hosted exchange emails by utilizing the built-in envelope journaling to deliver advanced compliance and e-discovery capabilities.

#### ▲ Email Encryption:

Our SecureMail policy based encryption assures personal information sent over email stays private, utilizing Office 365's integrated smart hosting.
